

## Illinois Water Polo Meeting Minutes for 5/1/22

1. Opening comments – Kyle Perry
  - Things appear to be getting back to normal with the high school season and upcoming summer season.
  - Good luck to everyone in the last few weeks as coaches, parents and officials.
2. IWP Sexual Harrassment training and Code of Conduct -Kyle
  - Training has been finalized.
  - This will go out before the IWP summer league begins so all volunteers, coaches, officials, BOD and officers will need to read and sign this.
3. Treasurer's Report – Heather Serrano
  - \$72 in expenses
    - Google sheet and constant contact are the only constant outgoing expenses, however, we only brought in interest this month which was less than \$1.
      - We might want to brainstorm about how we can generate more income, other than just relying on donations?
    - Heather still needs to open another savings account.
    - Taxes are going to be fine for this year. 2017 taxes are still being worked on and our accountant is working with the IRS on their questions for that report.
4. Reports:
  - A. All State Banquet – Elizabeth Timmons
    - June 1st
    - Diplomat West
    - Dinner prices have gone up
      - Could we lower the cost by going more with appetizers and finger foods? Or maybe could we do buffet or family style vs a plated dinner?
      - Give him a budget per person and see what they could make work.
      - Shoot for \$25-\$30/person
        - a. Banquet Booklet - Kyle Perry

    - Please keep advertising this website to your parents and make sure that your team is represented.

    - We will update the Hall of Fame section as well.
    - Jesse is really excited for the redesign that is eventually coming.
  - D. Player Recognition - Chris Cloy, Kyle Perry, and Mike Cashman
    - A few changes coming to the set-up for player recognition from what was done in 2019. This year will be similar to last year, but more plates will be recognized. The number of recipients from a team for All-Sectional teams will depend on how a team finishes at Sectionals.
      - Sectional champion - 5 recipients
      - Runner-Up - 4 recipients
      - 2 semi-Final teams - 3 recipients
      - 4 quarter finals - 1 recipient to 2nd team
      - anyone out before that - 1 recipient to Honorable Mention
    - All-State recognition stays the same and the sectional champion coaches are voting on the top 40 athletes in the state.

- IWP sent out information about how to nominate players for All-Sectionals and Senior Scholastic. Coaches should check their emails and more communications are coming about this.
  - Thank you to Chris for all of his work on player recognition! We are looking forward to recognizing these players at the end of the season.

      - Evarado will be working on the schedule and working with Coaches on last minute changes to schedules.
      - This summer will be all one league again because things are still a little goofy with teams and planning out the summer. The goal is to also have an end of season tournament on a Saturday but have to work around JOs and other end of the summer tournaments.
