Welcome to the 2019 Illinois Water Polo All State and Hall of Fame Awards Banquet. It's been another great high school season. Tonight is our opportunity to honor the athletes, coaches, and Hall of Fame inductees as they take their place in history as being the "Best of the Best." Congratulations on a tremendous high school season to all our award winners as we prepare to recognize them this evening, and congratulations to Steve Vongluekiat and Maura Billish Tiernan, Illinois Water Polo's newest Hall of Fame members.

I would like to take a moment to offer a round of thanks to the following individuals for their efforts with Illinois Water Polo in putting all the details of this event together along with all the other things they do to keep water polo moving forward in Illinois: our officers, Beto Garcia (Vice-President), Elizabeth Timmons (Secretary), Ron Biamonte (Treasurer), our Board of Directors (Rose Wimer, Perry Korbakis, Carlos Ceja, and Jeff Plackett), Perry Korbakis (Referees), Jeff Wimer, Nancy O'Brien Kane, Pat Bauer, and Rich Norman (Hall of Fame), Chris Cloy (Player Recognition), Heather Serrano (Ad book), Elizabeth Timmons and Carol Macola (Banquet and Awards), Beto Garcia (Chicago Park District Liaison) and Tim Daniel (USAWP Liaison). Running our leagues are Jesse Zien (Summer League) and American Water Polo (Fall, Winter, and Summer Leagues). I would also like to thank Jesse Zien for his tireless efforts in making the IWP website, Illinoiswaterpolo.net, a great resource to all interested in Illinois water polo. I would also like to give a quick shout out to Aaron Brown for his incredible commitment to honoring athletes and promoting our great sport throughout the high school season through his www.illpolo.com website.

Lastly, I would also like to thank all those that have attended IWP meetings and events this past year. Your participation and support is greatly appreciated. While Illinois Water Polo is in a great spot, we could be doing better. We need more players, more coaches, more officials, and more volunteers. We need you! Find a one of our officers tonight if you are interested in helping promote and grow the great sport of water polo in Illinois as our organization works to fulfill the mission of educating athletes, officials, and coaches on the proper game play of water polo and recognizing athletes, officials, volunteers, and coaches for outstanding performance and service to Illinois water polo.

Enjoy the event this evening, and I hope to see you in a pool sometime soon!

Kyle Perry
President, Illinois Water Polo

HALL OF FAME BIOGRAPHY

Maura Billish

Introduced by Nancy Kane

Growing up the second of six children, Maura Billish Tiernan grew up playing numerous sports, including swimming, water polo, basketball and softball. Being the daughter of basketball coach Hall of Famer, Dick Billish, and star marathon runner, Nancy Billish, Maura was destined for athletic success. Sure enough, success came quickly and often for Maura. As a strong swimmer at Ridge Park and Evergreen Aqua on the Southside, Maura soon fell in love with the game of water polo. Under the strong direction of coaches like Scott, Robin and Hal White, Joanie and Larry O'Connell, Andy Barry, Pat Bauer, Dave Perry and Moose Mulcrone, Maura soon dominated the water polo scene. Maura was named a Junior Olympics All American in both the Summer of 1982 and the Summer of 1983. In addition to playing varsity basketball at Evergreen Park High School, Maura made the high school varsity water polo team all four years of high school (1981-1984). Because of her success in water polo, Maura was named Evergreen Park High School's Varsity Water Polo Team's Most Valuable Player in 1982, 1983 and 1984. Because of Maura's phenomenal offensive hole play and exceptionally brilliant defensive skills, Evergreen Park brought home the ISA State Championship all four years that Maura competed (1981-1984). In recognition for her dominant play, Maura was given the highest honors of ISA Girls' Open Division All State First Team in 1981 and impressively ISA Girls' Open Division Most Valuable Player in 1982, 1983 and 1984. Maura gained international recognition while playing on the U.S.A. Jr. Women's National Team Development Camp in 1986.

After graduating from Evergreen Park High School in 1984, Maura attended North Central College. Maura competed on North Central's Varsity swimming team all four years of college. Maura received her bachelor's degree in elementary education from North Central College in 1988 and has taught 17 years in elementary education. In her initial years of teaching education, Maura returned to the water polo scene as an accomplished coach and mentor to numerous water polo teams at Ridge Park and Brother Rice High school.

Maura married her best friend, Brian Tiernan, in 1995, and Maura gave birth to her two beloved boys, Austin and Michael Tiernan. Not long after the births of her children, Maura once again returned to water polo coaching at Mother McAuley High School in 2000, 2001, 2002 and 2003. During her second year of coaching, Maura selflessly shared her expertise and guided her Mother McAuley High School team to an ISA State Tournament Runner Up finish. After the IHSA sanctioned water polo as a sport, Maura impressively guided Mother McAuley High School's water polo team to the IHSA's first State Championship in 2002. The following year, in 2003, Maura's expertise in coaching helped Mother McAuley High School's water polo team earn its second IHSA State Championship. Because of Maura's emphasis on teamwork, strong defense, and strategic offensive plays, Maura was named IHSA Coach of the Year in both 2002 and 2003. Maura continues to inspire young water polo players to join the sport she loves and to reach for success in the sport she excelled at and loved her entire life. Congratulations Maura Billish Tiernan on your induction into the Illinois Water Polo Hall of Fame!

Steve Vongluekiat

Introduced by Mike Gruszczyk

YOUTH

Steve was born and raised on the Northwest side of Chicago where he began swimming at the age of six at Portage Park. Competing for the Chicago Park District, he immersed himself in aquatics by participating in swimming, water polo, diving and even lifeguarding competitions. At age 7, he began competing in swim meets under Celeste and Rich Norman. In grammar school through junior high, Steve garnered many state individual swimming championships and high point championships, three U.S. national age group records, and individual national titles. Although much of his early success came in swimming, Steve competed in citywide park district water polo tournaments and embraced it as his second sport by the time he entered high school.

HIGH SCHOOL

Steve attended Fenwick High School beginning in the fall of 1990. He was a two-sport varsity athlete in water polo and swimming for his entire high school career. Under Jim Caliendo and Dave Perry, Steve was a three-year 1st team All State member and a 2nd team All State member his Freshman year for water polo. During that span, Fenwick won three state titles and one second-place finish. Steve was just as successful in swimming, garnering twelve 1st team and four 2nd team All State honors. He was also a two-time National Independent School Champion in the 50 Free and 100 Breaststroke. The Fenwick swim team won two State Championships and had a second and third place finish during his career. In 1994, Steve was one of the select few to win both Illinois Swimmer of the Year and Illinois Water Polo Player of the Year. During his summers, Steve played water polo for Jack Wagner's Chicago Polo Bears where he competed in many JO tournaments and was selected to play for the U.S. National Youth Team against international competition. In addition to his athletic success, Steve also excelled in the classroom where he was class Salutatorian and a member of other successful academic teams.

COLLEGE

After making the difficult decision to forego water polo and continue in swimming after high school, Steve attended Northwestern University on scholarship to swim under Northwestern legend Bob Groseth. There he had numerous top-three Big Ten Individual finishes and was a two-time Academic All Big Ten Member. He was elected team captain for two years and participated at the NCAA championships. After receiving his degree, Steve went on to attend dental school and now owns his own dental practice in the Chicago area.

COACHING

While in dental school, Steve began coaching age group water polo for the Windy City Club team. From there he coached boys' water polo at the high-school level at Lake Forest and Fenwick. He was an assistant coach on Fenwick's 2004 State Championship team where he was lucky enough to coach with two Illinois Water Polo Hall of Famers, Mike Gruszczyk and Dave Perry. He also coached boys' swimming for a few years at Fenwick and St. Ignatius, including coaching a State champion and several All-State athletes. These were some of the most rewarding years of Steve's career as he had the opportunity to apply what he learned throughout years of being an athlete and embrace the challenge of motivating teams to compete. Steve continues to this day to coach his seven-year old and ten-year old sons as well as other future generations of water polo players in a summer development program.
