# A MESSAGE FROM THE PRESIDENT

Welcome to the 2023 Illinois Water Polo All-State and Hall of Fame Awards Banquet. Illinois Water Polo is excited to honor the athletes, coaches, officials, and Hall of Fame inductees as they take their place in history as being the “Best of the Best.” Congratulations on a tremendous high school season to all our award winners as we prepare to recognize them this evening.

I would like to take a moment to do a quick round of thanks to the following individuals for their efforts with Illinois Water Polo in putting all the details of this event together along with all the other things they do to keep water polo moving forward in Illinois. A very special thank you to Tom Musch for hosting the Illinois Water Polo picture website. Special thanks to our officers: Jimmy Herd (Vice-President), Elizabeth Timmons (Secretary), Heather Serrano (Treasurer) and our Board of Directors: Beto Garcia, Rose Wimer, Eddy Przystalski, and Carlos Ceja. Committee representatives are Eddy Przystalski (Referees), Jeff Wimer, Nancy O'Brien Kane, Pat Bauer, and Rich Norman (Hall of Fame), Chris Cloy (Player Recognition), Jesse Zien (Website), and Elizabeth Timmons (Banquet and Awards). Our Liaisons are Beto Garcia (Chicago Park District Liaison) and Tim Daniel (USAWP Liaison). Running our leagues are Jesse Zien and Everardo Leon (Summer high school Leagues) and American Water Polo (fall, summer, & winter Leagues). I would also like to thank all those that have attended IWP meetings this past year. Your participation and support are greatly appreciated.

Illinois Water Polo is always looking for more coaches, officials, and even masters players. This banquet will be my last as the President of Illinois Water Polo as I am stepping down from this position this summer. In addition to filling this vacancy, Illinois Water Polo will be holding elections for a variety of volunteer positions this November. Anyone interested in promoting and growing the great sport of water polo in Illinois is welcomed and encouraged to help Illinois Water Polo with its mission of educating athletes, officials, and coaches on the proper game play of water polo and recognizing athletes, officials, and coaches for outstanding performance and service to Illinois water polo.

Enjoy the event this evening, and good luck the next time you're in the pool!

Kyle Perry  
President, Illinois Water Polo

# HALL OF FAME BIOGRAPHY

## ED PRYSTALSKI

---

Ed Prystalski started swimming competitively at 6 years old. He started playing water polo at 12 in the Park Districts at Mann Park, Ridge Park, Curie and then for Fernwood Park, where he won four City Championships.

He then played high school summer polo under Moose Mulchrone where his teams won many tournaments and taught him discipline and just how fun this game was when he's playing with his buddies.

Ed then played about 10 years for the Apostles out of UIC.

From 1984 to 1987, he attended Mount Carmel where he swam and played water polo. While in high school, he took second in State in the 50-Free and set records in three events at Mount Carmel.

In water polo, he became the highest goal scorer in Mount Carmel history in 1987 and awarded 3 All-State Water Polo Awards. He received a Scholarship to swim at Western Kentucky University.

In 2005, Ed started officiating Illinois High School Water Polo and in 2014, refereed D1 water polo and the D3 National Championships twice. From 2013-2018, Ed refereed the National Championships at USC, UCLA, Stanford, and Texas.

For his dedication, he received the 2013 IHSA Water Polo Referee of the Year Award, the 2013 USA Water Polo Tom Hermstad Distinguished Referee Award, and the 2013 Mike Murphy Award for Dedicated Service.

In 2015, Ed was invited to become a FINA Referee by Jim Cullingham and USA Water Polo and in 2019, he earned the USA Water Polo Tom Hermstad Distinguished Referee Award.

He has refereed Illinois State Water Polo Championships 11 times.

However, he believes his proudest happened in 2010 when he asked Coach Perry what he could do to raise our level of play. He launched Fall and Winter Water polo Leagues to get kids playing year-round. It took a lot of work and a lot of help by many coaches to make it happen.

Ultimately, it was a family effort to get this going and there are now 13-15 boy's and 12-13 girl's teams participating. The goal was to get the water polo ball in kids' hands more often out of season. In the last 10 years he has seen many kids going out west to play polo in College which is really nice to see and be a small part of raising Illinois' level of play.

## MIKE CASHMAN

---

Michael Cashman grew up on the southwest side of Chicago, where he was first introduced to swimming and water polo in his freshman year at Saint Rita High School by Coach Chuck Knibbs. Mike spent his summers playing for legendary coach Jim "Moose" Mulcrone's team The Chicago Aquatics and Water Polo Club. Mike would also play for the Chicago Park District under the guidance of Illinois Water Polo Hall of Famer, Eric Fischer.

While at Saint Rita, Cashman became a standout player in the State of Illinois and finished second in voting for Illinois Water Polo Player of the Year in his last two years of high school.

The Saint Rita Mustangs finished in the state's final four in Mike's junior and senior year, and his individual accolades were some of the first in the school's history as a two-time 1st team All-American and two-time 1st team All-State water polo player. He was awarded the prestigious Tony Lawless Player of the Year award in his senior year by the Metro Catholic Aquatic Conference Coaches.

Mike went on to play Division I water polo in his freshman year at Iona College for Coach and Chicago native, Brian Kelly, with a team consisting of predominantly Chicagoland area players; the Gaels finished the season ranked in the Collegiate Water Polo Associations Top 20 in the country. Michael then pursued and earned his undergraduate degree in economics at Northwestern University.

In 2003, Mike joined the Girls water polo staff as an assistant coach to a fairly new program offered at Saint Ignatius College Prep that won back-to-back Illinois High School Association (IHSA) Sectional titles in 2004 and 2005 and finished in the Elite Eight at the IHSA State Tournament those two years.

Cashman was named the head coach of the Girls program in 2006 and the Wolfpack made school history that season as the first team sport to play in an IHSA State Championship game in which the girls took home State-Runner Up honors that year.

During his 11-year tenure as head coach (2006-2017), Cashman amassed a record of 276 wins and 69 losses. The team played in 4 IHSA State Championship games (2006, 2010, 2013, 2014) and made school history again by becoming the first team in any sport at Saint Ignatius to win a State Championship in 2013. The Pack finished Third in State (2007, 2011, 2012) three times, and had four Elite Eight (2009, 2015, 2016, 2017) appearances at the IHSA State Tournament as well as 11 IHSA Sectional Championship titles. The girls were also crowned the Metro Catholic Aquatic Conference Champions twice (2011, 2015) and received the IHSA Sportsmanship award 4 times (2007, 2009, 2015, 2016) while Mike was at the helm of the program.

For his efforts, Coach Cashman was selected by his peers as the Illinois Water Polo Coach of the Year twice (2006 and 2013), received the IHSA Sectional Coach of the Year Award ten-times, and he was the recipient of the Metro Catholic Aquatic Conference Coach of the Year award four times (2010, 2011, 2014, 2015). In 2014, Illinois Water Polo presented Mike with the Phil Stelnicki Award for his dedication and contributions to the sport.

To date, 45 of his players have received All-State recognition, 8 have been recognized as All-Americans, 5 have been awarded the Metro Catholic Aquatic Conference Player of the Year (Nora Kenney '06, Kate Stelnicki '10, Becky Insalaco '13, David Kolssak '21, and Joe Gonnella '22) and one has been awarded Illinois Water Polo Player of the Year (Kate Stelnicki '10). Ten of his former players played at the Division I level, and dozens have competed at the collegiate club level.

In 2019, Cashman was named the Head Boys coach at Loyola Academy and just completed his 5th season with the Ramblers where he is working with a dynamic staff to build a competitive program.

## Keith Yavitt

---

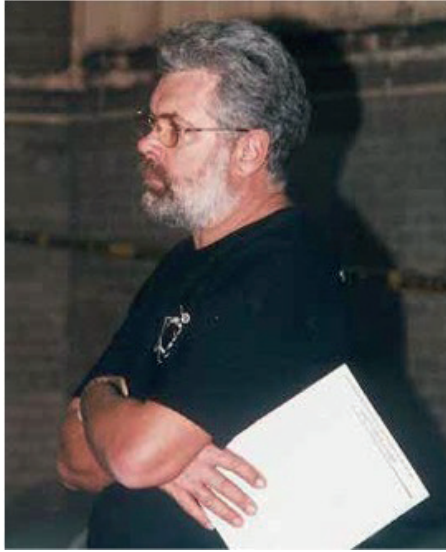

Keith was born in Chicago and taught to swim and compete in Evanston, Illinois before moving to Arizona in 7th grade (Fall 1970). He was introduced to water polo while attending high school at Phoenix Country Day and went to swim and play water polo (D1) for The University of Arizona on a swimming scholarship, playing in two NCAA Championship Tournaments in 1976 and '77. He returned to Illinois in 1982 and began a career as an options trader on The Chicago Board of Trade where he met Mike Sands, a founding member of the Chicago Apostles master's water polo team, playing with The Apostles locally, nationally and internationally. Keith has been a water polo player, coach or referee for over 45 years. He played at U of A and on the Chicago Apostles and a few Chicago Park District teams as well.

Keith was head coach of the girls Oak Park River Forest High School team (1993-1998) winning three State Championships, two 2nd-place finishes and one 3rd place. During that time, Keith ran an age group program out of UIC. In 2007, Keith helped start The Old Willow water polo summer program along with Gerrit Adams, providing youth 8-15 yrs. old an opportunity to experience playing "our" game. He is currently a boy's water polo coach at New Trier High School since 2013 and an age group coach for the club New Trier Aquatics (2017- ). Keith was inducted into the Illinois Water Polo Hall of Fame in 2004. He has twin sons Sam and Henry, who each played locally and D1 water polo at their respective schools San Jose State and The United States Air Force Academy.

In 2020 Keith was elected to The Midwest USAWP Zone Board. Keith's goal is to increase opportunities for the growth of water polo by developing youth programs throughout the zone, especially reaching areas that are lacking programs and participation.

## **ALEC POSLUSZNY - FENWICK, GEORGE WASHINGTON**

As a student-athlete at Fenwick, Alec participated in football, basketball, swim and water polo teams. As a junior on the water polo team, he was the only player to play in all 33 games that year. He finished the season as our second leading goal scorer. Just two weeks before the senior swim season began, Alec suffered a Medial Collateral Ligament (MCL) tear while playing in the final football game of the season. He ultimately underwent surgery and quickly began the rehab process. His doctors had never had a person play water polo after that surgery. As the water polo season began, Alec continued to go to rehab and while he could not get in with the team, he attended most practices and games. By mid-April, his efforts to regain full mobility in his leg paid off and he was cleared for physical activity with potential contact. In his short 14 game season, he scored 11 goals, made 7 assists, had 6 steals and drew 5 exclusions. He scored one goal in each of the final two playoff games. As a player, Alec is a very good water polo player, but his dedication to our team and the sport of water polo are what make Alec really stand out. Alec made water polo and the team a priority, even when no one was really sure if he would ever play another water polo game.

## **SEREN UZKAN - NEW TRIER, LOYOLA MARYMOUNT**

Seren Uzkan is an outstanding student and athlete for New Trier's Girls Water Polo program. She earned 1st team All-State Honors as a Junior, helping our team place 4th last season and was part of the team that came in 3rd the year before. Seren not only leads all scores, steals and blocks this season, but as the natural leader in the water, runs all the key plays for us. She represented the Midwest Region at the National ODP Championships in California and was part of club teams that won the 3rd place in Platinum Division at Dallas Junior Olympics and the 1st place overall in the Florida International Tournament. She is a natural leader and as one of our captains, is universally loved by her teammates. Seren is calm under pressure, has much grit and cares a lot about her teammates. She is the one who holds the team events, and even though she is the best on the team, can relate to all the girls as she is a kind person at heart. Seren is looked up to by all of the girls on the team. Seren has been in the Honor Roll every semester of high school and was a USA Water Polo Academic Scholar.
